

Exceptional health services in an unmatched environment.

Querencia is proud to provide a full continuum of care – assisted living, memory support, rehabilitation and skilled nursing – with seamless direct admission to every elevated level of living.

Highly respected, highly recognized.

*One of only seven communities in the state of Texas to receive a **5-Star rating from the Centers for Medicare & Medicaid Services** in every single rating category.*

*Consistently achieves **lower-than-average hospital readmission rates.***

*Proud recipient of the **2018 Silver – Achievement in to Quality Award** by the American Health Care Association and National Center for Assisted Living.*

Querencia provides innovative programming such as a research-based successful aging initiative dedicated to optimizing health, and maximizing potential and purpose in older adults. Specialized programs enhance quality of life at every level of living. For example, Querencia is a certified **MUSIC & MEMORY®** community. Here, memory support residents – with the help of team members and family – create personalized music playlists designed to tap memories, stimulate engagement and evoke positive emotions.
